Registration and Tuition Information

Registration is completed online in a family portal that you will create when you join the studio.

There is an annual registration fee for all students. For returning students it is \$50.00 and for new students it is \$70.00.

Schedule Changes

All class schedule changes must be cleared through the office. You may not switch classes without getting office approval so that we can ensure there is space in the class. Please do not inform teachers about schedule changes, instead come to the office or email the office at director@pacificballet.org

Financial Aid

Scholarships will be available for students with an aptitude for serious training and who have financial need. Scholarship forms are available upon request.

Make-up Classes and Refunds

Students are entitled to make up any classes missed due to holidays or illness before the end of each term. Students may also make up a class in advance. Refunds will only be given in case of extended illness or moving. Please email or speak with the office if you have concerns.

Termination of Attendance

Our school policy is that 5 weeks notification must be given in writing before termination of attendance. Students under the age of 6 may give 2 weeks notice of termination. Tuition will be charged until we receive termination notice in writing.
