Hair Instructions

Dancers must arrive with their hair done in a proper ballet bun. Use lots of bobby pins AND a hair net to keep the bun secure. No Scrunchies. Use hairspray and/or gel to keep hair tidy with no wisps. Bangs down are not allowed for dancers in Level 2 and up. Pre Ballet students may wear hair loose if it is very short, just pin it away from the eyes.

Makeup and Costume Instructions for Performances

Pre Ballet through Level IV dancers should arrive with costumes and make up on. Makeup includes light lipstick, eyebrow liner, mascara, and light blush. Glitter is never allowed! Level V through VII dancers are advised on what to bring and how to apply it.

Emergency makeup is on hand for volunteers to use but there is no makeup/hair staff to assist.

What to Bring to the Theater

Please bring a ballet bag with your child's name on it which contains: Water, an emergency pair of tights and dance shoes, hairbrush, safety pins, Kleenex, extra hair net, bobby pins, hair ties, and hairspray or gel. It is advised that you pack your child a book, deck of cards, or small game to play with while waiting their turn to dance. No beads or markers. Water is fine, but dancers should be careful not to spill on costumes. Label all clothing and items brought to the theater with your child's name. Please do not bring any valuables or electronics to the theater. Pacific Ballet Academy is not responsible for lost, stolen, or damaged items.

Put dancer's name or initials on everything!

Illness and Injury

If a dancer is unable to participate in the performance because of illness, the dancer or parent must notify Patricia Macris at (669) 262-9258, especially if it occurs right before stage time.

Check-In and Check-Out

All dancers must personally check-in at each theater dress rehearsal and each performance. Check-in sheets will be on a table outside the theater. At the end of each performance, dancers will Check-Out through the same process. Parents should make sure their dancer has Checked-Out on the sheets.

Quick Changes (QC)

Dancers manage their own quick change! QC Staff will decide if your dancer indeed has a QC. Dancers requiring a QC between roles must check in with the QC staff before dress rehearsals and appropriate performance(s) and leave their costume in the QC area backstage. Speak with the QC volunteers to verify you are on the list.

Food

No food or gum or beverage other than water will be allowed backstage or near costumes at any time, even if you own the costume. Water fountains are available inside the theater. Dancers with medical conditions may eat outside on the porch area if parent volunteers are available to stay with the dancer and the dancer is not in costume—volunteer resources of this kind are not built into the schedule. Feed dancers well BEFORE check-in—that is best for dancers and volunteers. Feed your dancer between shows—eat near the theater. No eating in costumes! Refresh dancer makeup and hair.

Jewelry and Phones

Personal jewelry including earrings of any sort, rings, necklaces, anklets, bracelets, and watches may not be worn during rehearsals or performances.. No henna. No tattoos. Earrings must be removed or we will cover them with a round band-aid. Please leave all valuables at home. We cannot be responsible for phones at the theater.

Photography

Parents may take photos at the Studio Dress rehearsals **outside the studios**. NO CAMERAS are allowed inside our studios, inside the theater, in the holding room, or backstage. Theater rules state that NO personal photographic or sound recording equipment may be used at or in the theater at any time. Our assigned photographers will take pictures and DVDs will be made of each performance available for purchase after the performances.

Volunteers in the Wings

Only dancers and assigned volunteers may work in the wings during these times. There is limited space in the wings for volunteers during performances. Please volunteer if you wish to be with your dancer backstage.

Mask Policy during Performances

Masks are optional and not mandatory. If worn, it must match your dancer's skin tone.
