General Information

All youth program classes will participate in the performances. Every dancer will be in at least two out of the four performances. Some students will be in all of the performances depending on the class schedule and program order. Each class will do one dance, and each dance will be performed twice. Some classes will be combined together. If a student’s classes overlap two levels, they can perform with each level, but may require an additional costume.

Dance is a performing art, so we encourage all of our students to participate! Rehearsals are held in class, with the exception of studio/theater dress rehearsals. It is our policy to use as little class time necessary for rehearsal. We are a training school, not a recital school. Teachers incorporate steps that are part of the student’s curriculum to create choreography.

We ask that each family purchase 6 tickets at a minimum. Tickets are not included in the performance fee. Tickets can be purchased at Mountain View Center for the Performing Arts online or at the box office.

Performance Fee

See next page to find the class(es) that your child is in. Overlapping levels (Combo) may need an additional costume, which will be an extra \$90. **ONE costume is included in the performance fee (which you keep), except for Level VII whose costume rentals are included in the fee.**
